Packaging and Storage

TABASCO® Sauce should be stored in a cool place away from direct light, such as a cupboard, pantry or cabinet. It doesn't have to be refrigerated after opening. Once a bottle of sauce is opened, the color may change, but the product won't spoil. Refrigeration almost always helps to slow this process but isn't required.

Allergens

FREE FROM:

Crustaceans or Crustacean Derivatives, Eggs or Egg Derivatives, Fish or Fish Derivatives, Milk or Milk Derivatives, Peanuts or Peanut Derivatives, Sesameseeds or Sesameseed Derivatives, Soybeans or Soybean Derivatives, Treenuts or Treenut Derivatives, Wheat or Wheat Derivatives
