MSDS Exemption Statement

This substance is a food material and, as such, is regulated by the Food and Drug Administration. A careful review of Federal Regulation Title 29, chapter XVII, Section 1910.1200 (b) (5) (iii) indicates that such materials are not required to be labeled as a hazardous substances regulated under OSHA's Toxic and Hazardous Substances Hazard Communication Standard and hence no Material Safety Data Sheet (MSDS) is required.

In the unlikely event that future studies, new information, or a change in the definitions, result in the reclassification of this product as a hazardous chemical substance, we will advise you accordingly. We will also, at that time, prepare and distribute appropriate Material Safety Data Sheets.

Thank you for your interest and concern.
