CREAM cleaner – indispensable green helper for bathroom and kitchen

Packed in an ergonomic 500 ml bottle, the green care PROFESSIONAL CREAM cleaner is now even more practical to use. The fine-grained consistency and fat-dissolving surfactants gently but effectively loosen any type of dirt and ensure an optimal result. A scouring milk that is gentle on surfaces and the environment: 75% of the surfactants originating from European rapeseed oil, a microplastic-free recipe and a bottle made from 100% recycled plastic.
