Chili Cheese Nuggets | EU

Revised: February 10, 2025

Spicy, creamy and absolutely golden

These crunchy, golden-brown nuggets know how to keep a secret... Only a hint of spices gives away that these awesome chunks are hiding an incredibly satisfying core that's both lusciously liquid and velvety soft. One bite cracks them open, revealing the glossy, bright yellow cheese with chopped green chilli and peppers.

The savoury taste of cheddar and batter, combined with the spice of pickled jalapeños will delight your guests' taste buds. All in a fresh, light snack that leaves a tingling sensation on the tongue. The firm crust rounds it all out with a lovely smooth texture.

Chili Cheese Nuggets are perfect as a starter, on the side, with drinks, or as a surprising ingredient in a salad. They're hot, they're cheesy, and they get you uniquely uniform portions, which makes them even more perfect for sharing!

Needless to say, these delicious snacks are a popular choice among guests. They're a great option for melted cheese fans, vegetarian snack lovers, or anyone who's just craving a spicy bite!
