PRODUCT CODE : 31356

NAME : ORGANIC BLACK NON-SPLIT VANILLA BEANS

Legal Name

Organic black non-split vanilla beans

Product Characteristics

Ingredients : Vanilla beans

Name: Bourbon Vanilla

Processing Method: Traditional – By hand - cultivated

Botanical Name: Vanilla Planifolia

Presentation: 125g (4.4oz) bunch tied with raffia

Geographic Origin: Madagascar

Description

This organic vanilla is produced by planter associations in the Maroansetra and Mananara regions of Madagascar. The vanilla plants have been grown in line with Organic EU and USDA (NOP) Regulations.

Black non-split vanilla is very oily, plump and flexible.

The beans' aroma is sweet and floral, with powerful cocoa notes.

Uses

This vanilla can be used in food service for all pastry, chocolate and ice cream applications. It can also be used to enhance savory dishes.
