

PURmicro

Active

Product description

PURmicro Active is Vileda Professional's new durable, coated microfibre cleaning cloth. The high-performing microfibres allow very good liquid absorbency and particle pick up for lint-free cleaning results.

The additional PUR (polyurethane) coating increases the rinsability and makes this new cloth a **perfect allrounder**. Only one wipe allows **streak-free cleaning**, especially on shiny surfaces such as glass and stainless steel. It is suitable for the bucket method and available in 5 colours.

Application area

PURmicro Active is a durable cloth made of high-performing microfibre technology combined with PUR coating for superior cleaning results. It is highly effective on shiny surfaces such as glass and stainless steel where **streak- and lint-free cleaning** is required. PURmicro Active is suitable for **all-purpose cleaning**, especially in hotels, restaurants, canteens, public buildings and offices.

The five colour coding system allows a differentiation of the cloth. With this, the risk of potential cross-contamination is reduced and a high level of hygiene can be secured. This allrounder-cloth is ideal for the bucket method but also suitable for the pre-prepared method.

How to use

- ✓ PURmicro Active can be used damp or wet
- ✓ Rinse and wring the cloth until the desired moisture level that is required for the type of application and cleaning
- ✓ Fold the cloth three times and wipe the surface with the closed edge in the wiping direction
- ✓ Change cloth side when it has become dirty and apply 16 side technique
- ✓ Apply colour coding to avoid cross-contamination

Washing Recommendation

- ✓ **Recommended** washing conditions: 60°C
- ✓ Maximum washing temperature: 95°C
- ✓ Avoid high alkalinity and strong bleaching activity (do not use chlorine bleach)

Customer benefits

- ✓ High microfibre cleaning power
- ✓ Reusable for minimum 100 washing cycles
- ✓ Good absorbency
- ✓ High rinsability
- ✓ Streak-free and lint-free cleaning
- ✓ Colour coding system Blue / Red / Green / Yellow / Grey
